1. Happy News: Xpucma S. began skhodyny asking if anyone had any good news they would like to share:
 - a. Lyalya N shared photo of baby Sam
 - b. Larissa M stood up and showed us her “baby bump”!! All applauded! She is having her 3rd child – a baby boy. Congratulations
 - c. Christia D’s son Andrijo had his 2nd child - a boy! And Chrystia’s daughter is engaged. Wedding set for November 2021.
 - d. Marta M shared pictures of her granddaughter Sienna.
 - e. Marta L shared the success of 1 of the 3 beehives she has in her yard survived the winter. Honey this season!
 - f. Xpucma S shared her quest of purchasing a Wildwood condo – unfortunately she was outbid 4 out of 4 attempts but #5 may be the one. Good luck!
2. Marta T is taking a break from Spartanky. She has requested to remain on email distribution. We all wished her well and hope to see her back soon.

3. Louisa K and Slava H discussed the environmental clubs “Purses and Plants” Event on May 7th at the Hoverlia. Proceeds from admission to go towards the Hoverlia outdoor Green wall screen. Purses will be silent auctioned to benefit UACCNJ. Flyer to follow. A sign-up sheet will be sent for appetizer donations.

4. Lida C gave an update on 2021 Vovcha Tabir: Tabir will be for two weeks only. Bulava will not be allowed to leave the premises once they arrive. Yunatstvo will be dropped off with their gear in the main parking lot. Parents will not be allowed to go anywhere. Parents of novatstvo can drive up and drop off their kids and their gear at the barrack. However, they cannot go inside to set up. They will drop off and leave. OTK is looking for volunteers to help novatstvo set up in the barracks. Take in their gear and make their beds, etc. Volunteers need to be fully vaccinated (plus two weeks) and wear masks. Will probably need to be at Vovcha by 9am and stay for about 4-5 hours. Everything is still tentative and fluid and dependent on any final regulations set by the Columbia County Board of Health. Larissa M informed all that there is a form on the Vovcha website for volunteers to sign-up. Per Darka P, those volunteering to help novatstvo don't need to fill out the form-just send Darka P an email letting her know that you will help. Tania S added that anyone coming to Vovcha will need to have a negative COVID test within the last 72 hours.

5. Virtual Rada on Sunday 4/25 at 4:00pm – Please wear Odnostriy sorochka/hustka. Xpucma S discussed: Kurrinyj provid will be sending out details by the end of the week.
 - a. Results from Monkey Survey. Only 35 answered.
 - b. Break out rooms – Spartanky will be assigned to a breakout room based on answers in the Survey.

6. Rada at Soyuzivka 11/5-11/7 – probably for two days and not three. Many details still need to be worked out like single rooms for those not willing to share a bed with another Spartanka.

Rizne:

1. Irka D spoke about:

- a. Her sweatshirt - Spartanky sweatshirt was one of the new swag-wear options offered by the STPs. Very comfortable!
 - b. Spartanky in Ukraina. The STPs from Ukraina are very active, and invited USA STPs and seniory to a meeting this past Sat to meet a group of STPs from CANADA who want to form a kurin/group in Canada. How good is that!
 - c. There are a few groups in Ukraina wanting to form Spartanky hurtoks.
2. Lyalya N THANKED Lida C for her continued informative updates of vaccine sites, vaccination updates and she helped schedule vaccines for more than 25 individuals - KUDOS!!!!
 3. Thoughts and prayers for Chrystia Kotlar's husband Yuri Turchyn who is in ICU with double pneumonia.

Stay safe, stay well!
